BWDB9540W

9 kg Wash / 5 kg Dry UltraFast Washer Dryer Combo

UltraFast 5kg Wash & Dry - Our UltraFast Washer Dryer has an improved heater, a high powered fan and a special design heat exchanger, which guarantee's you'll be ready in no time. Now you can wash and dry a 5kg load energy efficiently in 3.5 hours.

Wash & Wear™ Program - Got an hour until that important meeting or a promising first date but nothing clean to wear? That's all the time you need to wash and dry 1 kg of laundry (approx. 2-3 shirts) with the Wash & Wear® Program. Now you can have a full outfit ready to wear in an hour.

Hygiene+ Wash&Dry™ - Thanks to custom drum movements, sensitive temperature control and additional rinse and spin cycles, you can get premium hygienic cleaning results for all your laundry at any temperature (30°C - 90°C).

*Approved by Allergy UK for common house allergen removal at 60°C

Wifi Connected/Download Programs - Easily control your washing machine from your smartphone with our HomeWhiz technology Wizard. You can also download new programmes, set them as your favourite and remotely control and monitor your washing machine, all without needing to be in the room.
