# AIR CONDITIONING CATALOGUE

2023 / 2024

## ActiFour Filter

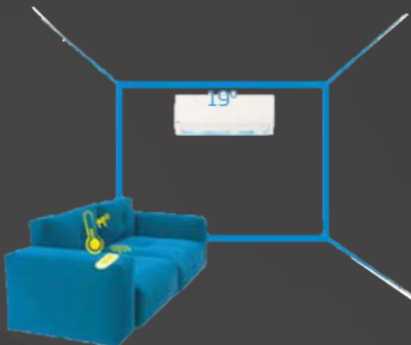

Beko air conditioners come with ActiFour Filter, an extra protective combination of 4 filters: HEPA, Photic Catalyst, Silver Ion and Catechin. This powerful combination helps keep away pollen, dust, germs, bacteria, fungi spores, pet fur, and even odours.

## Self Clean

Self Clean prohibits bacteria from breeding in the air conditioner. A super slit fin in the indoor unit helps your air conditioner condensate water. So when you turn the unit off, it will appear to be still running to ensure the coil surfaces are totally dry. This is to protect them from getting rusty. The unit will then come to a total stop automatically.

## Zone Follow

More precise and effective temperature control. The remote control sensor will sense the temperature around the user to ensure the temperature is even for the comfort of the user. Zone Follow function provides user with maximum comfort

## Dream Mode

Four different night modes for adults, elderly, youngsters, or children. Delivering the ideal temperature and air flow speed during 8 hours of sleep. The air conditioner is able to scan the room temperature and adjust to the conditions. When the room is below 26°C, the unit automatically increases 1°C during the rest hour, after the sleep control is activated.

## 4D Air Outlet

Activate the direction of the airflow vertically and horizontally using the remote control. Your air conditioner covers a wide area, reaching every corner of your room. You can now cool every inch of your room as you focus on your tasks in total comfort.

## R32 Refrigerant

Beko air conditioners are now more friendly to the environment and your pocket. Using the most balanced refrigerant in terms of environmental impact, energy efficiency, safety, and cost-effectiveness

# Non-Inverter Air Conditioners

## BSVOM 180 / BSVOM 181

2HP Inverter Air Conditioner

### Key Features

- Ozone Friendly R32 refrigerants
- Prosmart Inverter Compressor
- Self Clean
- Zone Follow
- Dream Mode
- 4D Air Outlet
- LCD temperature control
- Actifour filter

### Performance

- Energy Efficiency Class: 5 ★

### Dimensions (H x W x D) [CM]

- Indoor: 31 x 23.5 x 102
- Outdoor: 29 x 58.5 x 80.7

### Finishing

- White

### Also Available in

- 1.5 HP (BSVOM 120 / BSVOM 121)
- 1 HP (BSVOM 090 / BSVOM 091)

## BLFOM 180 / BLFOM 181

2HP Air Conditioner

### Key Features

- Ozone Friendly R32 refrigerants
- LCD temperature control
- Actifour filter
- Zone Follow
- Jet Cool

### Performance

- Energy Efficiency Class: 3 ★

### Dimensions (H x W x D) [CM]

- Indoor: 31 x 23.5 x 102
- Outdoor: 29 x 58.5 x 80.7

### Finishing

- White

### Also Available in

- 1.5 HP (BLFOM 120 / BLFOM 121)
- 1 HP (BLFOM 090 / BLFOM 091)
