BCT600IG

60 cm Induction 4 Zone Cooktop with Indyflex™ Zone Commercial Exclusive

Semi Direct Access Control - Giving you control and flexibility in the kitchen, touch controls for each cooking zone allow you to adjust the heat level of your pots and pans separately, at the simple touch of a button.

IndyFlex™ Zone - Merge two zones together at the touch of a button. Great for when you need to use a larger pan, you can easily merge two cooking zones together thanks to IndyFlex™ technology in our induction cooktop.

Booster Function - Helping you save time, use the booster function to set the cooking zone to its maximum power, reaching the highest temperature quickly and efficiently.
