Caffe Esperto

Fully Automatic Espresso Machine

Series CE 7500

Source: Euromonitor International Limited. Large Appliances as per "Major Appliances" in Consumer Appliances 2023ed. retail volume, 2022 data.

Features

10 Options 1 Touch

Delivers 10 delicious espresso-based coffee options at the touch of a button, fast, easy, and exceptional every time, also provides the convenience of hot milk and water on demand for preparing a variety of beverages.

Color Touch Screen Panel

Features a user-friendly color touch screen panel for intuitive navigation.

Professional 19 Bar Pressure

Applies 19 bars of pressure for efficient performance, ensuring smooth and consistent results with every use.

Integrated Milk Cup

Features an integrated 0.6 L milk cup with CreamyPro™ Technology, delivers delicious and foamy milk-based beverages with just one touch.

Milk Foam Density Adjustment Knob

Ensures personalized and perfect froth for every cup with the milk foam density adjustment knob.

Integrated SS Cup Holder

Keeps cups within reach for effortless brewing and serving, adding convenience with an integrated stainless steel cup holder that also warms the cups for the perfect coffee experience.

2 Coffee Outlets

Delivers twice the satisfaction with dual pour capability and allows users to enjoy two cups of coffee simultaneously.

13 Different SS Grind Levels

Produces a delightful coffee aroma with GrindPro™ Technology which includes 13 different grind settings, with a 250 g capacity bean container featuring a durable stainless steel grinder.

Safe for Dishwasher and Refrigerator

Makes the coffee experience even more effortless with a dishwasher-safe milk cup that can be stored in the fridge.

Features

Memory Function

Customizes and saves preferred coffee and milk amounts with the built-in memory, enabling users to adjust the coffee's intensity and achieve consistent results with just a touch.

Removable Milk Cup & Water Tank

Enhances coffee experience with removable milk cup with 0.6 L and water tank with 2 L capacity, allowing for easy preparation, handling and cleaning.

Compact SS Brewing Unit

Ensures perfect coffee with BrewSense™ Technology which delivers barista-quality brews with a space-saving stainless steel interior design, taking up minimal counter space.

Bean & Ground Coffee Usage

Offers the option to use either ground coffee, or beans.

Adjustable Coffee Spout

Ensures that the height can be customized to perfectly accommodate any cup size, enhancing the coffee experience.

Adjustable Coffee Strength

Provides the flexibility to choose between 'Standard Bean' or 'Intense Bean' for whole bean coffee or opt for 'Ground Coffee' to enjoy a delightful brew tailored to preferences.

Elegant Design

Combining style with functionality, it embodies the elegant design.

Easy Cleaning in One Touch

Maintains cleanliness with an auto-cleaning, empty water, milk cup cleaning, rinsing and descaling functions. Detachable parts including water tank, drip tray, milk cup and brewing unit can be cleaned easily.

Easy Repairability

User-friendly detachable design ensures hassle-free access to all parts, allows to address any issues efficiently and effectively.
