Power ✨ Clean™

Rechargeable Vacuum Cleaner

Series PC 7000+

Source: Euromonitor International Limited. Large Appliances as per 'Major Appliances' in Consumer Appliances 2023ed. retail volume, 2022 data.

Sensitivity: Internal / Non-Personal Data

Features

CyclonStorm™ Technology

Elevates cleaning efficiency with CyclonStorm™ Technology through powerful air whirlwinds with 450W BLDC motor and 150W suction power.

Long Lasting Performance

With up to 60 minutes of runtime in handheld mode*, provides uninterrupted cleaning confidence and efficiency.

**at minimum speed*

LED Light

Equipped with a LED light and roller system, ensures optimal visibility for finer dust particles and delivers advanced cleaning capabilities.

LED Screen

Displays real-time battery status, suction mode, and alerts.

3 Suction Modes

Effortlessly removes dust, debris, and particles from surfaces with versatile suction options.

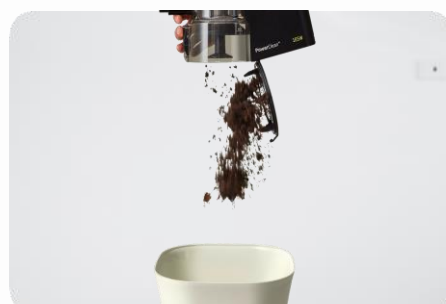

ActiFlex™ Technology

Extends reach effortlessly with foldable tube, designed for easy access to high or hard to reach areas, ensuring comfortable and optimal cleaning.

Mini Turbo Brush (Motorized Pet Brush)

Efficiently removes dust, debris, and pet hair from surfaces, including upholstery and textiles, and is suitable for vehicle interiors as well.

TrayCean™ Technology

Allows dust to be discharged directly into the trash, eliminating scattering issues when the bottom lid is opened with the press of the button.

All in Zone™ Station

Features a charging station and automatic dust emptying with a 2.5-liter capacity, designed to maximize convenience. Up to 8 weeks**, without emptying

***Based on internal test results. It may depend on use habits and environmental factors in your home.*
